2024 Cherokee Wolf Pup Black Label 16KHWBL

\$43,728

Description

New 2024 Forest River RV Cherokee Wolf Pup Black Label 16KHWBL Forest River Cherokee Wolf Pup Black Label travel trailer 16KHW highlights: Rear Bath U-Dinette Cherokee Sleep System Outside Storage Perfect for a couple or family of four to enjoy. This Wolf Pup Black Label unit offers a versatile Cherokee Sleep System which allows you to convert a portion of your bed into a sofa for daytime use so you can have more seating when needed and not have the additional unit length that an added separate sofa would require. The U-shaped dinette offers plenty of seating for meals or games, and there are large storage drawers beneath for your things. This can also be converted into added sleeping space if needed at night. The kitchen provides a microwave oven, round single bowl sink with a cover for added counter space, a range for cooking, and a 12 volt residential refrigerator to keep all of your perishables fresh. The rear bath features a tub/shower, toilet, and vanity with sink, plus medicine cabinet and skylight. Each one of these Forest River Cherokee Wolf Pup Black Label travel trailers are lightweight and easy to tow! They are fully self contained with ample tank capacities, an abundance of storage space, and filled with at home amenities. Some features included in the Black Label Package that will set these models apart are the upgraded solid surface countertops, shower heads, and reading lights, plus the designer cushion fabrics. There are also hung fiberglass sided walls, a frameless window package, and Thermo-Foil Arctic insulation. The aerodynamic smooth radius front profile, the Power Gear frame technology, and the space saver rail design make them easier to maneuver. You will also appreciate the seamless roofing membrane with heat reflectivity to keep the sun from making your unit a hot box. The tongue and groove plywood flooring will hold up for years of fun and the USB charging stations help to keep your electronics at 100% while you're away. Come find the best model for you today!
