Description

New 2024 Forest River RV Cherokee 306MM Forest River Cherokee travel trailer 306MM highlights: Rear Living Area Fireplace Front Private Bedroom Outside Storage Outside Kitchen Affordable luxury and livability is what you will find in this travel trailer! The rear living area has opposing sofa slides, two recliners, a rear entertainment center with a fireplace, and panoramic windows for added natural lighting. There is even a bar top with two bar stools overlooking the living area so you can enjoy a meal and a movie. The booth dinette slide has a full door pantry next to it so you can quickly grab a snack during game night. Freshen up each morning in the full bathroom with the shower with a seat. The front private bedroom has a walk around queen bed for a good night's rest and a linen closet with an area prepped to add the optional washer and dryer. You even have an outside kitchen, a rear storage rack, outside storage areas, and an outside TV mount! If the open road is calling your name, then answer it with one of these Forest River Cherokee travel trailers or toy haulers! A seamless roofing membrane with heat reflectivity covers these units and an armored underbelly tank enclosure protects it from road debris. The Power Gear frame technology holds them together and also comes with a space saver rail design. An outside shower with hot and cold water helps to keep the dirt outside where it belongs. With the Campfire package, you will get a beautiful entertainment center to watch your favorite movies, a sink cover for more prepping space, and a 6 gallon DSI gas/electric water heater for hot showers each morning. The Cherokee Total Control app and remote control system allows you to control your unit at the touch of a finger. A few other features you will appreciate include a super kitchen, USB charging station, and light filtering sheer shading premium blackout zebra shades for added privacy.
