Description

2022 Dutchmen RV Kodiak Cub 175BH, Dutchmen Kodiak Cub travel trailer 175BH highlights: Bunk Beds Booth Dinette Rear Corner Bathroom Pass-Through Storage The whole gang will enjoy camping in this travel trailer! The kiddos or guests can sleep on the set of bunk beds and you can sleep on the front queen bed. After you prepare your best home cooked meals with the two burner range with a glass cover, you can head to the booth dinette to eat it. The booth dinette has an indoor/outdoor table for added versatility. Everyone will stay clean and fresh in the rear corner bathroom and the skylight above the shower will provide extra natural lighting as you get ready in the mornings. The exterior pass-through storage area is big enough for you to store all of your outdoor gear so you don't need to leave any behind! Each one of these lightweight Dutchmen RV Kodiak Cub travel trailers are built with an aluminum super-structure so they can be towed by most of today's SUV's, minivans, crossovers, and light trucks! A heated and enclosed underbelly will keep your unit's vitals protected from the elements so you can travel longer in the year, and the front diamond plate will protect it from road debris. A laminated crowned roof covers your unit and HyperDeck flooring lines the inside. Enjoy a sweat free summer with a 13,500 BTU A/C unit and safely enter/exit the unit with the hybrid aluminum steps that are easy to open and close. Come see all of the function packed into these units today!
