Description

2023 Forest River Vibe West 26DBSTYLE, COMFORT, QUALITY, VALUE. YES, YOU CAN HAVE IT ALL. The Vibe is among the most popular West Coast built aluminum framed fiberglass sided trailers in the market place. Packed with more features than comparable units in its class, the Vibe gives you the best value for your dollar. Whether you are looking for a small light weight single axle or a longer tandem axle, the Vibe has a model that will fit your tow vehicle, your needs, and your budget. Because the Vibe is built in the West it is designed to handle the extreme climates from the desert heat of the Southwest in the summer to the frigid Northwest in the winter. So go ahead and take your trip any time of year and take advantage of the Vibe's standard features like the fully enclosed and heated underbelly, largest in class air conditioners and furnaces, larger carrying capacities, larger water capacities, and more. You can count on the reliability of the Vibe trip after trip and year after year creating memories that will last a lifetime. The Vibe won't let you down. The Vibe 26DB is ultimate family camping package! A private queen suite with wardrobe and drawers, full height deep pantry, over-sized bunks, huge TV you can view from everywhere, fireplace, outside bath entrance and storage galore!
