Description	<p>                             Stock #348253 - If you need a trailer that will enhance your family getaways, this Wildwood X-Lite travel trailer is it! Having been only lightly used as temporary living quarters while the owner's storm-damaged home was being repaired, this 2022 Wildwood X-Lite travel trailer has plenty of enjoyment to offer its next owner. Whether it is a camping trip for the family during the summer or mobile housing for a traveling professional, the versatility of this travel trailer will allow you to do it all. Although compact-looking from the exterior when transported, the interior becomes roomy and inviting after setting it up at your favorite campsite and extending the slide-out. Naturally, the bunk area will be a favorite for the children, while the master bedroom provides some privacy for the adults, as it's situated on the other side of the unit. The 15' exterior awning will provide shade for your family and guests while you prepare meals using the outdoor kitchen.
