## 2018 Travel Trailer Grand Design Imagine

**\$34,450**

### Description

Stock #329744 - 2018 Grand Design that sleeps 8 including bunkhouse and has 2 Slides with lots of room!The 2018 Imagine 3170BH by Grand Design is a light weight trailer that features "grand" accommodations with sleeping for up to 8, well-built solid construction, and an external kitchen.The exterior standards include a power awning with LED light stripping, a power tongue jack, black tank flush, and exterior speakers.Just because the Imagine is light weight doesn't mean it isn't built solid. The 3170BH has fully laminated walls (R-7), double insulated floor/underbelly (R-30), a double insulated roof ((R-40), and a double insulated front cap (R-40).An outdoor kitchen will reduce the number of trips inside while preparing meals.External storage is one of the industry's largest and the storage doors feature magnetic latches.There are two entry doors. One leads into the living space/kitchen with the other leading directly into the front master bedroom.Just inside the living space entry you'll find a conveniently located closet.An entertainment center with a LED TV faces a pair of theatre seats and the U-shaped dinette.The theatre seats recline and have heat and message functions as well as lighted cup holders.The kitchen is equipped with a pantry, a two-door refrigerator/freezer, a microwave with hood, a 3-burner stove with oven, a large stainless-steel sink and drawer and cabinet storage.There are shades on all the windows in the living and bedroom areas.The bathroom is located between the living area and the master bedroom providing a buffer between the two spaces. It is outfitted with a foot-flush toilet, a shower with a skylight, a vanity sink with medicine cabinet and a ceiling vent fan.Sliding doors are provided for privacy.The master bedroom is at the front of the trailer.The queen bed has a wardrobe on either side of the bed along with overhead lighting and storage cabinets. There is underneath the bed storage.In one corner facing the bed is an LED TV.The bunkhouse is equipped with bunks on the left and right side of the RV. The left top bunk can be locked up out of the way so the bottom jack-knife bed can be used comfortably as a sofa. There is drawer and cabinet storage and a wall mounted TV in the bunkhouse.We are looking for people all over the country who share our love for boats/RVs.
