Description

Stock #319988 - This is a Travel Trailer with lots of extras. Outside kitchen with a refrigerator and sink and barbecue never used. 2022 North Trail (by Heartland) 25BHPS bumper pull with bunks is perfect for long weekends and family vacations. The North Trail has a very user-friendly floor plan; the bunks are located towards the back of the unit as you walk in, and the fully enclosed bathroom is next to the bunks for easy access from the entry door. A large U-shaped booth dinette faces the kitchen area, which sits on a slant, large single farm-style sink, stove/oven combo, and microwave. Lots of cabinets and drawers for all your kitchen items. The refrigerator/freezer is next to the booth dinette, making the kitchen feel rather big. The bedroom offers a King size mattress, overhead cabinets, and a TV.
