### Description

Stock #324937 - 2020 Heartland Sundance SDTT 278BH with one slide-out! Bunks! Comfort and style are what you will find with the 2020 Sundance Ultra-Light 278BH. The entry door gives you access to the living area. The living room and kitchen/dining area have plenty of room to move around and storage space for on-the-road living ease. The Sundance has been very well taken care of, and it shows. This is a beauty, and it won't cost you anywhere near what you would pay for brand-new. The bunkhouse has a ton of room and sleeping space for the kids to have their own private area for relaxing, watching TV, and sleeping. There is also a complete outside kitchen area for easy cooking and meal prep while enjoying the outdoors with your family. Don't wait on this one. It probably will not last long at this price. It is light for easy towing and parking maneuverability. We are looking for people all over the country who share our love for boats/RVs.
