Description

Description 2022 Heartland Torque TQ T274, Heartland Torque toy hauler TQ T274 highlights: Master Suite Two Recliners Power Queen Bed Exterior Kitchen Outside Shower You can bring the family and your favorite toys to the campground in this toy hauler! The front master suite will have you feeling right at home with the king bed slide, the two dressers, and the wardrobe, plus you even have an entrance into the dual entry bathroom. Grab some eggs from the 8 cu. ft. refrigerator then either fry them up on the three burner cooktop or at the exterior kitchen for a sunrise breakfast. The power queen bed offers a comfortable place to sleep at night and has a sofa with dinette below it to enjoy your meals at. Relax each evening in one of the two recliners or underneath the 19' electric awning for some fresh air! One of the first reasons you'll love the Heartland Torque toy hauler is that it offers you the elegance of a fifth wheel while retaining the versatility of a toy hauler. Each unit has a heated and enclosed underbelly and a wide-body design. You'll have the largest kitchen countertops and storage than any other toy hauler, and the garage has a fuel- and oil-resistant diamond plate TPO rubberized flooring so that you don't have to worry about spills with your power toys. The three-zone JBL audio system can be used when you want to play some music for the group, and you'll even be able to play your music outside with the two JBL exterior marine-grade speakers. Each unit has also been prepped for cable/satellite, so you'll find it easy to add some entertainment. Sleeps 6 Slideouts 1
