Description

2022 Heartland Trail Runner 261JM, Heartland Trail Runner travel trailer 261JM highlights: Bunk Beds Single Slide Front Private Bedroom Outside Shower No one will be left behind with this travel trailer! The kiddos can sleep on the set of double bunk beds and you will have your own privacy with the front private bedroom which has a queen bed with under-bed storage and wireless cell charging stations for one less thing to bring with you. The chef can whip up their best meals with the three burner cooktop and everyone can enjoy them together at the booth dinette then play a card game or two. If you're not big into card games then you can relax on the sofa while you enjoy a cold drink stored in the 10 cu. ft. stainless steel refrigerator. Freshen up each day in the rear corner bathroom with the ABS tub/shower surround with a skylight above it! Paradise awaits at the end of the trail with one of these Heartland Trail Runner travel trailers! Experience better wind and water deflection, added strength, and a reduction of tongue weight with the hybrid aluminum front profile that has an aerodynamic radius front cage. A cambered structural steel I-beam frame holds them together and a heated enclosed underbelly protects the units vitals. There is an industry leading mammoth storage space of 57 cu. ft. pass-through storage so you can bring all of your outdoor gear with you. Roller shades in the main living area, woven flooring in all slide rooms, master suites with CPAP storage, and upgraded pressed counters give you the at-home feel you desire. Come find the perfect model for you today!
