## Description

2017 Heartland Wilderness 3125BH, Enter this Wilderness 3125BH and be pleasantly surprised at the space you find. This travel trailer by Heartland RV offers a large slide out in the main living and kitchen area, dual entry doors for convenience, a set of queen size bunk beds, and a rear bath with quick outside access, plus an outdoor kitchen! As you enter the main entrance you will see the living and kitchen area to your left, and a bedroom to your right. Inside the private front bedroom you will find a queen size bed with overhead storage, dual bedside wardrobes and nightstands. Straight inside the main entry door you will find a bench with coat hooks above, and a corner pantry for dry and canned good storage. Continue further in and see a large slide out u-shaped dinette and sofa with overhead storage. The slide provides additional floor space when fully extended making plenty of space to move about. Opposite the slide enjoy the kitchen amenities which offer a double sink, three burner range, refrigerator, and overhead storage. There is also cabinet space below. The entertainment center is just beyond the kitchen area on the same side and provides even more storage, plus counter space. You can also choose to add a LCD TV option to enjoy your favorite television shows while traveling. In the rear right corner find a set of queen size bunks with an interior angled cut bed. The opposite corner features a complete bath with its own private entry/exit door to the outside. Inside the bath there is a tub/shower, toilet, and vanity with sink, plus overhead medicine cabinet. The outside entry makes it easy to access when enjoying the outdoors. Speaking of outdoors, you will love the outside kitchen that is centrally located between the two exterior doors. There is a small refrigerator, single sink, counter space, plus a pull-out two burner cooktop for added convenience, and so much more!
