Description

2024 Jayco Eagle HT 284BHOK, Jayco Eagle travel trailer 284BHOK highlights: Bunk Beds Walk-In Pantry Front Private Bedroom USB Charging Ports Ample Bathroom Counterspace There's a lot to love about this travel trailer from the set of 48" x 80" bunk beds with storage in the steps to the walk-in pantry behind the swing-out entertainment center with a fireplace for a cozy evening indoors. Everyone can freshen up in the rear corner bathroom with the shower, keep their towel close by with the linen closet, and have plenty of countertop space to get ready in the mornings. The tri-fold sofa and U-shaped dinette slide offer comfortable places to sit, dine, and play games, as well as transform into extra sleeping spaces. The front private bedroom has a queen bed with wardrobes on either side and another wardrobe to keep your clothes looking their best. You even have an outside kitchen to cook your meals at while watching others play a game of cornhole!
