One of the entrances leads directly into the front private bedroom with a 60" x 75" queen bed that has wardrobes on either side. The other entrance leads into the living/kitchen area which has theater seating conveniently across from the entertainment center, but it can be switched out for an optional hide-a-bed sofa if you want more guests to come along. There is also a booth dinette, a three burner cooktop, and a gas/electric refrigerator. You could even enjoy a cold beverage outside with the outside fridge. The full rear bathroom has plenty of space for you to walk around as you get ready after taking a hot shower in the tub/shower! These Jayco Jay Flight travel trailers have been a family favorite for years with their lasting power and superior construction. An integrated A-frame and magnum truss roof system holds them together. When you tow one of these units you're towing the entire unit and not just the frame.
