Description

2024 Jayco Jay Flight 286BHSW, Jayco Jay Flight travel trailer 286BHSW highlights: Bunk Beds Front Private Bedroom U-Shaped Dinette Dual Entry Doors Outside Fridge Pack your bags and load up the whole family for a fun camping experience in this travel trailer! It has a front private bedroom with a 60" x 75" queen bed to lay your head on at night, and a set of 48" x 75" bunk beds for the kids to sleep. You could even transform the U-shaped dinette and jackknife sofa slide into extra sleeping spaces for some cousins to tag along. The front bedroom also has one of the dual entry doors to the unit so you can slip away for an early morning fishing trip without waking the rest of the group. Prepare your best home cooked meals with the three burner cooktop, and stay hydrated even outside thanks to the outside fridge! These Jayco Jay Flight travel trailers have been a family favorite for years with their lasting power and superior construction. An integrated A-frame and magnum truss roof system holds them together. When you tow one of these units you're towing the entire unit and not just the frame. With dark tinted windows, you have more privacy and safety. The vinyl flooring throughout will be easy to clean and maintain too. Come find your favorite model today!
