Description

2024 Jayco Jay Flight SLX 174BH, Jayco Jay Flight SLX travel trailer 195RB highlights: Semi-Private Bedroom Walk-Around RV Queen Bed Entryway Walk-In Wardrobe Booth Dinette Gain some freedom to travel with this Jay Flight SLX travel trailer! You can rest comfortably each night on an RV queen bed that can be sectioned off into a semi-private bedroom with a privacy curtain. There is a private bathroom with a tub/shower and toilet so that you can stay clean, and the kitchen has a two-burner range and microwave oven for all of your inside cooking needs. Outside, there is a 10' power awning to protect you from too much sun, and you can also store extra gear in the exterior storage compartment which is quite handy. The Jayco Jay Flight SLX travel trailer is quite easy to own because it weighs less than 3,500 pounds, and it comes with a single axle. Built on a fully integrated A-frame with galvanized-steel, impact-resistant wheel wells, the Jay Flight SLX has quality at its very foundation. That quality continues on to the electric self-adjusting brakes, easy-lube hubs, Magnum Truss roof system, friction-hinge entry door with window, and LP quick connect. Some of what the mandatory Customer Value Package includes are two stabilizer jacks with sand pads, American-made Goodyear Endurance tires, Keyed-Alike entry and baggage doors, and JaySMART LED lighting. Buying your trailer in the East versus the West will determine which optional package is available to you. The East offers an optional STX Edition, and the West offers an optional Baja Package. Both packages come with a 30LB LP bottle, a large fresh water tank, Goodyear off-road tires, an enclosed underbelly, a double entry step, four stabilizer jacks, and a deluxe graphics package. Specific to the STX Edition, you will find a wide-stance axle, aluminum rims, a power tongue jack, and powder-coated wheel fenders while the Baja Package offers you a flipped axle.
