## Description

2024 Jayco Jay Flight SLX 174BHWThe Jay Flight SLX is so compact and easy to tow, you might just forget you're pulling a camper behind your vehicle. Although it's shorter and built on a single axle, the SLX doesn't skimp on amenities. It has real wood cabinet doors, galvanized steel wheel wells, an integrated A-frame, dark tinted windows for privacy and UV protection and back-up camera prep. Small and agile enough to maneuver through the city, but tough enough to stand up to the great outdoors, the Jay Flight SLX is the perfect camper when you want to just get up and go.
