Description

2024 Jayco Jay Flight SLX 183RB, Jayco Jay Flight SLX travel trailer 183RB highlights: RV Queen Bed Rear Bathroom Single Slide Bedroom Privacy Curtain You and your two favorite people can take this Jay Flight SLX travel trailer out for some fun! There is an RV queen bed up at the front, and there are also overhead cabinets and a wardrobe next to the bed for easy storage. The roof-mounted 13.5K BTU air conditioner will keep you cool all day and night. The booth dinette rests on a single slide, so there is more floor space as you work in the kitchen. The rear bathroom gives you space and privacy, and it also offers you a linen closet to store your towels. For other storage needs, you can use the 8-cubic foot refrigerator and the exterior storage compartments. The Jayco Jay Flight SLX travel trailer is quite easy to own because it weighs less than 3,500 pounds, and it comes with a single axle. Built on a fully integrated A-frame with galvanized-steel, impact-resistant wheel wells, the Jay Flight SLX has quality at its very foundation. That quality continues on to the electric self-adjusting brakes, easy-lube hubs, Magnum Truss roof system, friction-hinge entry door with window, and LP quick connect. Some of what the mandatory Customer Value Package includes are two stabilizer jacks with sand pads, American-made Goodyear Endurance tires, Keyed-Alike entry and baggage doors, and JaySMART LED lighting. Buying your trailer in the East versus the West will determine which optional package is available to you. The East offers an optional STX Edition, and the West offers an optional Baja Package. Both packages come with a 30LB LP bottle, a large fresh water tank, Goodyear off-road tires, an enclosed underbelly, a double entry step, four stabilizer jacks, and a deluxe graphics package. Specific to the STX Edition, you will find a wide-stance axle, aluminum rims, a power tongue jack, and powder-coated wheel fenders while the Baja Package offers you a flipped axle.
