Description

2024 Jayco Jay Flight SLX 184BS, Jayco Jay Flight SLX travel trailer 184BS highlights: Bunk Beds Dinette Slide Front RV Queen Bed Wall-Mounted AC There is room to sleep five people in this Jay Flight SLX travel trailer with the 29" x 75" bunk beds, a booth dinette once converted, and on the RV queen bed. There is also added living space thanks to the single slide, and the private bathroom adds convenience for everyone with its tub/shower and toilet. The kitchen has all of the necessities for you to create delicious meals, like an 8-cubic foot refrigerator, microwave oven, and two-burner range, and you also have overhead cabinets to use for keeping your items organized. The Jayco Jay Flight SLX travel trailer is quite easy to own because it weighs less than 3,500 pounds, and it comes with a single axle. Built on a fully integrated A-frame with galvanized-steel, impact-resistant wheel wells, the Jay Flight SLX has quality at its very foundation. That quality continues on to the electric self-adjusting brakes, easy-lube hubs, Magnum Truss roof system, friction-hinge entry door with window, and LP quick connect. Some of what the mandatory Customer Value Package includes are two stabilizer jacks with sand pads, American-made Goodyear Endurance tires, Keyed-Alike entry and baggage doors, and JaySMART LED lighting. Buying your trailer in the East versus the West will determine which optional package is available to you. The East offers an optional STX Edition, and the West offers an optional Baja Package. Both packages come with a 30LB LP bottle, a large fresh water tank, Goodyear off-road tires, an enclosed underbelly, a double entry step, four stabilizer jacks, and a deluxe graphics package. Specific to the STX Edition, you will find a wide-stance axle, aluminum rims, a power tongue jack, and powder-coated wheel fenders while the Baja Package offers you a flipped axle.
