Description

2023 Jayco White Hawk 27RB Luxury and lightweight don't always go hand in hand, but we've managed to pack in both with our White Hawk lineup. To start, take control of all the technology in your coach with JayCommand with the TPMS Smart RV system. From an app on your phone or screen in your coach, control what happens inside and out while staying safe with our Tire Pressure Monitoring System. White Hawk provides convenience and comfort for all your travels. White Hawks floorplans may be lightweight, but they certainly don't sacrifice features. Modern farmhouse and vintage washed gray décor packages echo what you'll find in residential interiors, while murphy beds and double bunks provide enough room to fit your family. Don't need to fit a family? Rear-kitchen and rear-living floorplans offer room to spread out and enjoy.
