Description

2022 Keystone RV Bullet 312BHS, Keystone Bullet travel trailer 312BHS highlights: Queen Bed Bunk Lift Dual Entry Single Slide Rear Exterior Door Outdoor Kitchen SolidStep Entry Get ready for family fun in this trailer that offers a queen bed bunk lift in the rear with a kids lounge area below which includes flip chairs. You will also appreciate being able to load items inside such as bikes or kayaks for secure travels through the exterior rear door. The slide out offers more floor space plus a tri-fold sofa and a dream dinette with easily accessible storage doors under the bench seating, and both of these furnishings provide extra sleeping space. The well-equipped kitchen offers a single basin stainless steel sink with stainless steel high rise faucet and Furrion appliances to make hot meals. And the cook will enjoy using the outdoor kitchen to make a few meals. The full front bedroom offers a queen bed with dual wardrobes, a laundry chute and the second entry/exit door. With any Keystone Bullet travel trailer you can experience ultra-lightweight camping with style! The interior design and functionality will impress you, and the stunning cabinetry, the vaulted ceilings, and the built-in laundry chute are just a few of the highlights. Each is built with Hyper Deck RV flooring that is stronger, lighter and more resilient than traditional wood laminated flooring, a 51 cu. ft. pass-through storage compartment which provides 25% more storage space and has a 40" wider door meaning easier access and more room for supplies, and a docking station, an easily accessible convenience center with water connections, water heater bypass, KeyTV hookups, stabilizer jack switches and winterization access. You will also find a Giggy box, a weather protected, labeled, and fused electric box, plus more Keystone Exclusives. Start your glamorous and carefree trip today in a Bullet!
