Description

2024 Keystone RV Cougar Half-Ton 24SABWE, Keystone Cougar Half-Ton travel trailer 24SABWE highlights: Dual Entry Master Suite Rear Kitchen Pass-Through Storage Sleeper Sofa Get to your favorite places with this accommodating and stylish Cougar Half-Ton travel trailer! The single slide holds the 68" tri-fold sleeper sofa so you can have enough room to spread out and relax at night, and if you want a little snack while you play some games, you can heat up some popcorn in the microwave. After the night has ended, nothing will feel better than snuggling into the king-size bed up front in the master suite. The Keystone Cougar Half-Ton fifth wheel and travel trailers are known as one of America's favorites for a reason! Some of those reasons are the exclusive features that come from Keystone, like the preparations for 4G and Wi-Fi, the in-floor heating ducts, and the Hyper Deck flooring. The Cougar Half-Ton has a Climate Guard protection package to keep you safe during inclement weather, and you'll also find an iN-Command Generation 3 with global connect. Use the 21" Furrion range with Piezo ignition to create all of those familiar meals from home, and take charge of how you camp with the SolarFlex Protect that comes standard, or choose the optional SolarFlex Discover or optional SolarFlex Outlast for even more off-grid capabilities.
