Description	<p>2024 Keystone RV Cougar Half-Ton 33RLI, Keystone Cougar Half-Ton travel trailer 33RLI highlights: Opposing Slides Kitchen Island Fireplace 68" Tri-Fold Sleeper Sofa You'll definitely want to snatch up this Cougar Half-Ton travel trailer if you're a couple or small family that wants to live in comfort while at the campsite! There is a private bedroom at the front, and it has a king bed slide, full-width wardrobe, and a dresser to keep your clothes tidy. Right next to the bedroom is a full bathroom that comes with a linen closet with washer and dryer prep. The main living area is what truly gives you the royal treatment because it has theater seating directly across from the entertainment center and fireplace, a kitchen island that you can gather around when it's snack time, a booth dinette that will serve as a bed or a dinner table, and a 68" tri-fold sleeper sofa with end tables for a cold drink. The kitchen also has a pantry, so you can keep your trailer stocked with goodies throughout the whole trip. The Keystone Cougar Half-Ton fifth wheel and travel trailers are known as one of America's favorites for a reason! Some of those reasons are the exclusive features that come from Keystone, like the preparations for 4G and Wi-Fi, the in-floor heating ducts, and the Hyper Deck flooring. The Cougar Half-Ton has a Climate Guard protection package to keep you safe during inclement weather, and you'll also find an iN-Command Generation 3 with global connect. Use the 21" Furrion range with Piezo ignition to create all of those familiar meals from home, and take charge of how you camp with the SolarFlex Protect that comes standard, or choose the optional SolarFlex Discover or optional SolarFlex Outlast for even more off-grid capabilities.</p>
