Description

2021 Keystone RV Hideout 179RB, Keystone Hideout Single Axle travel trailer 179RB highlights: 6-Cubic Foot Refrigerator Single Slide Rear Bathroom Booth Dinette As you tour the countryside, nothing will be more handy to have than this Hideout Single Axle travel trailer! With its queen-size bed and booth dinette, this unit can sleep three people comfortably no matter where you vacation, and the single slide is what opens up the interior and allows you to fully enjoy your time spent inside. Since the full bathroom is located in the rear portion of this trailer, you will have an extra bit of privacy as you get ready each morning and rinse off in the 38" walk-in shower. If you would like to make your adventures the easiest they can be, then choose the Keystone Hideout Single Axle travel trailer! These models come with some features that are exclusive to Keystone, like the color-coded unified wiring, the preparations for 4G LTE and Wi-Fi, the Tuf-Lok thermoplastic duct joiners, the in-floor heating ducts, and the Tru-Fit slide construction. The Hideout Single Axle has an aluminum exterior, spare tire kit, LCI SolidStep entry, preparations for a Furrion back-up and side camera, preparations for solar power, and a friction-hinge entry door. The exterior speakers will be great to have for outdoor parties, and the power awning will provide you with some protection as you sit outside and enjoy the fresh air.
