Ft. 12V Refrigerator Privacy Curtain Laundry Chute You'll love the added interior space this model has to offer thanks to the large slide out in the main living area. Here, you'll find the jack knife sofa, the three burner gas range, and the 12V refrigerator. If you're needing a bit more sleeping space, just trade out the jack knife sofa for the optional tri-fold sleep sofa! There is a large countertop in the back of this unit that houses the stainless steel sink, and the rear corner bath includes a 38" walk-in shower for convenience. You will love having your own space up front in the semi-private bedroom that includes a queen bed, dual closets and nightstands, plus a privacy curtain. There is even a laundry chute so you can throw dirty clothes straight to the pass-through storage! The Keystone Hideout travel trailer and destination trailer will be just what the doctor ordered for a stress-free holiday at your favorite campsite! There are a few exclusive features that you'll only find on a Keystone product, like the color-coded unified wiring, the preparations for 4G LTE and Wi-Fi, the Tuf-Lok thermoplastic duct joiners, the in-floor heating ducts, and the Tru-fit slide construction. Each model has a power awning for some shade in the afternoon, and the tinted safety glass windows will prevent the harmful UV rays from getting inside. You'll also have blackout night shades that you can close when you want privacy, and the SolarFlex 200 is a solar power system that will refill your battery to operate onboard 12V systems with just one day of peak sun exposure.
