Description

2024 Keystone RV Hideout 22MLS, Keystone Hideout travel trailer 22MLS highlights: Full Bath Booth Dinette Power Tongue Jack 10 Cu. Ft. 12V Refrigerator Outside Griddle Laundry Chute You'll love the added interior space this model has to offer thanks to the large slide out in the main living area. Here, you'll find the standard sofa, the three burner gas range, and the 10 cu. ft. 12V refrigerator. If you're needing a different seating space, just trade out the sofa for the optional theater seat or optional tri-fold sofa! There is a large countertop in the back of this unit that houses the stainless steel sink, and the rear corner bath includes a spacious shower for convenience. You will love having your own space up front in the semi-private bedroom that includes a queen bed, dual closets and nightstands, plus a privacy curtain. There is even a laundry chute so you can throw dirty clothes straight to the pass-through storage! The Keystone Hideout travel trailers will be just what the doctor ordered for a stress-free holiday at your favorite campsite! There are a few exclusive features that you'll only find on a Keystone product, like the in-floor heating ducts and the Tru-fit slide construction. Each model has a power awning for some shade in the afternoon, and the tinted safety glass windows will prevent the harmful UV rays from getting inside. You'll also have blackout night shades that you can close when you want privacy and one-piece pressed countertops that are not only sleek looking, but easy to keep clean.
