Description

2022 Keystone RV Hideout 272BH, Keystone Hideout travel trailer 272BH highlights: Double-Size Bunks Dual Entry Sleeps Nine Private Bedroom Entertainment Center Get away with ease in this Hideout travel trailer! You will have your own private place to sleep in each night with the private bedroom up front. This bedroom has a queen-size bed, closets and nightstands on either side of the bed, overhead cabinets, and a laundry chute. Just outside the bedroom is where the entertainment center is located. The entertainment center has been prepped for a fireplace, and you can add an optional 40" HDTV too. The large slide holds the booth dinette and jackknife sofa, and the central vacuum will help you clean up any messes that are made throughout the trip. The Keystone Hideout travel trailer, fifth wheel, and destination trailer will be just what the doctor ordered for a stress-free holiday at your favorite campsite! There are a few exclusive features that you'll only find on a Keystone product, like the color-coded unified wiring, the preparations for 4G LTE and Wi-Fi, the Tuf-Lok thermoplastic duct joiners, the in-floor heating ducts, and the Tru-fit slide construction. Each model has a power awning for some shade in the afternoon, and the tinted safety glass windows will prevent the harmful UV rays from getting inside. You'll also have blackout night shades that you can close when you want privacy, and the SolarFlex 200 is a solar power system that will refill your battery to operate onboard 12V systems with just one day of peak sun exposure.
