Description

2023 Keystone RV Hideout 29DFS, Keystone Hideout travel trailer 29DFS highlights: Double-Size Bunks Outdoor Kitchen Coffee Bar Private Bedroom with a Queen Bed U-Shaped Dinette Fireplace There is a large slide that adds more space, so you won't feel crowded as you spend time inside. The swiveling entertainment center conceals a hidden pantry, and if you add the optional tri-fold sleeper sofa, you can watch the 50" HDTV from the comfort of the sofa. The bedroom has a laundry chute and the second exterior entrance, and there is a central vacuum that you can use to clean up messes. You'll also really love to use the coffee bar in the kitchen for that sweet afternoon pick-me-up. The Keystone Hideout travel trailer and destination trailer will be just what the doctor ordered for a stress-free holiday at your favorite campsite! There are a few exclusive features that you'll only find on a Keystone product, like the color-coded unified wiring, the preparations for 4G LTE and Wi-Fi, the Tuf-Lok thermoplastic duct joiners, the in-floor heating ducts, and the Tru-fit slide construction. Each model has a power awning for some shade in the afternoon, and the tinted safety glass windows will prevent the harmful UV rays from getting inside. You'll also have blackout night shades that you can close when you want privacy, and the SolarFlex 200 is a solar power system that will refill your battery to operate onboard 12V systems with just one day of peak sun exposure.

2023 Keystone Rv Hideout 29DFS
