Description

2020 Keystone RV Outback 328RL, Keystone Outback travel trailer 328RL highlights: Fireplace Two Refrigerators Pop-Up TV Kitchen Skylight Master Suite When you're ready to tour the countryside in style, choose this Outback travel trailer. From the theater seating and fireplace in the rear living area to the vaulted ceiling and large panoramic windows, you will feel the elegance from the moment you step foot into this unit. You will love spending your evenings in the private master suite because of the comfort and relaxation found in the king-size bed slide, and the full-wall wardrobe will easily hold all of the garments and toiletries that you have brought along with you. The Keystone Outback is a trailer that has truly been designed for a lifetime of RVing. With its tinted safety glass windows, heated and enclosed underbelly, block foam insulation, and various smoke detectors, you can continuously travel with a clear peace of mind. Because the Outback comes with a 35,000 BTU furnace and a 15,000 BTU air conditioner, you will always remain comfortable through any climate as you sleep inside each night, and the 50 AMP power source will ensure that you are able to use each of your favorite electric features.
