## Description

2022 Keystone RV Passport SL 282QB, Keystone Passport SL travel trailer 282QB highlights: Private Bunkhouse Tri-Fold Sleeper Sofa U-Shaped Dinette 21' Awning Two Pass-Through Compartments This Passport SL travel trailer has an amazing amount of storage capabilities with its two exterior pass-through storage compartments! There is also excellent interior storage with the bedside wardrobes, bunkhouse storage, kitchen pantry, and bathroom linen closet. This trailer is also full of sleep space with its queen-size bed up front in the private bedroom, four bunk beds back in the rear bunkhouse, and U-shaped dinette and tri-fold sleeper sofa in the main living area. The dinette and sofa rest on a large slide so that you have plenty of room as you spend time indoors, and the kitchen has everything you need to make all of your family's favorite recipes. The Passport SL travel trailers by Keystone RV come in a compact design with travel-friendly lengths that are lightweight and easy to tow behind many smaller crossover SUVs. You will find several residential-style features such as durable Armstrong vinyl flooring, upgraded window treatments and valances, and bathroom countertops. The exterior shower with hot and cold water is very useful as you get cleaned up before entering the RV, wash your pets, or even rinse a few dishes outside. The Passport also now contains a HyperDeck flooring system which is a high-performance, water-resistant RV floor that comes as a breakthrough design from the Keystone Innovation Lab. This flooring is more resilient, stronger, and lighter than traditional laminated wood construction.
