With a private bedroom that has its own bathroom entrance and a semi-private bunkhouse, this trailer gives you the space that you are accustomed to having. This trailer can sleep nine people and store all of the luggage that comes along with those nine people because of the many closets and large exterior pass-through storage. And everyone will love gathering each night in the open-concept living area to watch a movie together on the 32" LED TV. Because of the innovative and modern approach that Keystone has taken with the construction of the Premier travel trailer, you receive a unit that is both functional and comfortable. The residential in-floor heating system gives the stain-resistant Beauflor linoleum flooring a warm and cozy touch, and the 6' 11" vaulted ceilings keep the entire trailer open and inviting to all guests.
