Description

2023 Keystone RV Springdale 260BH, Keystone Springdale travel trailer 260BH highlights: Double-Size Bunks Booth Dinette Outside Storage 12' Power Awning SolarFlex 200 You are sure to love this Keystone Springdale travel trailer from the front private bedroom to the many different storage spaces for all of your camping needs! This trailer is fabulous for a larger group because it has a set of double-size bunks which will provide compact yet accommodating sleeping arrangements for your kids or friends. There is also a convenient full bathroom located next to the bunks which is super convenient, and allows everyone to get cleaned up before bedtime. You can enjoy your delicious meals at the booth dinette or even while relaxing on the sofa, and both of these can transform into extra sleeping spaces whenever needed. With any Keystone Springdale travel trailer, you will have a friction hinge entry door with sturdy MORryde StepAbove steps, a pass-through storage compartment for your outdoor gear, and reliable Dexter E-Z Lube axles to maneuver your Springdale down the road and into the campsites. Some of the Keystone Exclusives provide 12V color-coded wiring with easy-to-trace circuits which is better than conventional RV wiring allowing a faster diagnosis for quicker repairs, and the streamlined heat distribution that uses in-floor heat vents for more efficiency for uninterrupted air flow. Also included, the Blade high performance air flow system that delivers 30% more air flow. The interior gives you pressed kitchen countertops, pleated night shades, and designer upholstered window valances for easy care and style, and more depending on the Springdale you choose!
