Description

2023 Keystone RV Springdale 298BHWE, Keystone Springdale travel trailer 298BHWE highlights: Private Bunkhouse Outdoor Kitchen Large Slide Do-More Dinette Fireplace SolarFlex 200 If you want the same convenience and comfort that you love about your own home, then you will certainly want to check out this Springdale travel trailer because it comes with a private bedroom up front for you with a queen bed and a private bunkhouse with quad bunks in the back for your kids or guests! In the main living area, you won't be worried about living in a cramped space because the large slide will push out and open up this area so that game night is just as exciting as it's always been, and the entertainment center will also spice up every late-night gathering. You can even prepare meals just the way you like them with the three-burner range in the full kitchen, and if you just can't get enough of the fresh air, you can head outside to prepare meals at the outdoor kitchen. With any Keystone Springdale travel trailer, you will have a friction hinge entry door with sturdy MORryde StepAbove steps, a pass-through storage compartment for your outdoor gear, and reliable Dexter E-Z Lube axles to maneuver your Springdale down the road and into the campsites. Some of the Keystone Exclusives provide 12V color-coded wiring with easy-to-trace circuits which is better than conventional RV wiring allowing a faster diagnosis for quicker repairs, and the streamlined heat distribution that uses in-floor heat vents for more efficiency for uninterrupted air flow. Also included, the Blade high performance air flow system that delivers 30% more air flow. The interior gives you pressed kitchen countertops, pleated night shades, and designer upholstered window valances for easy care and style, and more depending on the Springdale you choose!
