### Description

Stock #341270 - Beautiful 2019 Keystone that sleeps 8 with bunks, no slides and lots of room! Looking for a Bunkhouse Travel Trailer with room for up to eight and an outside kitchen? Look no further - this 2019 Bullet Crossfire 2200BH by Keystone has everything you are looking for! A family-friendly layout that sleeps up to 8 comfortably - a fully functional galley with double kitchen sink, microwave, with a hood fan/vent/light over a 2-burner gas stove top, a good size refrigerator/freezer that runs on either propane or electric (shore power) and a pantry closet next to the refrigerator. The unit has a comfortable dinette that quickly converts into a 4th sleeping area if needed, with storage beneath the seating. The TV and stereo system are found in the dinette area - the stereo is mounted in the overhead cabinets over the dinette - the TV is a pedestal-mounted TV that can be moved where desired. Two large double bunk beds and a full bath with a tub/shower with skylight overhead for lots of natural light in the bathroom, plus a corner cabinet bathroom sink with medicine cabinet overhead and additional cabinet space below the sink - and, of course, the toilet. The master bedroom area features a sofa with a Murphy bed above that quickly drops down at bedtime. There are wardrobe cabinets on either side of the bed. Outside, the 15-foot patio awning allows you to take the fun outdoors at the campsite or tailgate at the big game. The outdoor kitchen, mini refrigerator, and 2-burner stove make the unit super flexible for those fun days and when you need a quick drink or snack. All of the RV Systems are clearly marked and easily accessible around the RV's exterior. Hot water heater, water controls, sewer, propane, battery, four manual stabilizer jacks (one on each corner), and the power tongue jack that makes setup and breakdown quick and easy.
