Description

Stock #341976 - Well maintained 2018 Keystone Hideout 28BHS! Ready to hit the road! 2018 Keystone Hideout 28BHS is a great unit for a group or larger family. It will sleep ten and has a "U" shaped dinette that will seat several. It has a small outdoor kitchen with a mini refrigerator and cooktop, great for taking the heat outside and enjoying the family. It has two entrance doors, one to the main area and the other to the bathroom, for quick access when you are outside by the fire. It has a queen size bed in the bedroom, a dinette, a jack-knife couch, and two bunks. The seller loved the AC and how well it kept the unit cool even on hot days. The roof was resealed in the Fall of 2022, the awning has a small rip that was repaired, and the water heater rod replaced and will send the extra one they already have for the future. The unit is wired for a backup camera but not installed. Please submit any and ALL offers - your offer may be accepted! Submit your offer today! Reason for selling is not using it enough.
