### Description

Stock #396096 - \*\*\*SALE PENDING\*\*\* Super Lite series, custom LED lights, sleeps up to 8, theater style recliners. This 2021 Passport 268BH is a 30' travel trailer in Rowlett, Texas. Keystone manufactured this model, which is part of the Super Lite series. Its dry weight is only 5760 pounds, making it easy to tow with various light-duty vehicles. With one slideout, camp setup is quick and easy, and the floor plan opens up to provide a nice amount of space. With the corner-mounted bunks, sleeper dinette, and master bedroom, you can accommodate up to 8 people for sleeping. The sellers opted to remove the sofa sleeper for a more comfortable theater-style recliner, and they have also added LED lights that make the RV very neat to see at night. Outside, you have a large power awning to relax under, and the front pass-through storage has a surprising amount of space for all your gear. Another unique feature is the rear access door, allowing you to put gear into the interior storage under the rear bunks. If you're ready to hit the road and need an easy-to-tow model that still offers plenty of room and comfort, this Passport 268BH is a great option.
