### Description

2023 Lance Lance Travel Trailers 2285, Lance travel trailer 2285 highlights: Queen Bed Three-Burner Cooktop Sofa Bed Hidden Trash Compartment Dual Entry Doors Seize the opportunity for a lifetime of great adventures with this Lance travel trailer! There is a single slide that allows the U-shaped dinette to move out of the walkway, so you can freely get to the front bedroom area from the rear kitchen. If you draw the privacy curtain at the front, you'll be able to section off the queen-size bed into a semi-private bedroom. You could even use the full-size sofa bed across from the dinette for extra sleeping space. Use the 32" smart LCD TV for a movie night with the rest of the group, and enjoy the added closet space with bedside wardrobes and a wardrobe across from the bathroom. The new line-up for the Lance travel trailers centers around three all-new gorgeous interior décor options, a lengthy list of product enhancements, and simplification of ordering with many optional features being made standard. Some of the new features you'll want to take note of are the one piece Energy Star rated synthetic membrane roof, the 12V smart tongue jack-plug/safety chain holder, Keyed-Alike storage compartment doors for all of your camping essentials, and the dual layer Azdel composite will prevent your unit from rotting away. The interior includes solid surface galley countertop, Euro-Ply cabinet construction, and a Shower Miser water system. You'll also find an innerspring mattress with a bedspread, a dual pane shower skylight, USB charging ports to keep your electronics at 100%, plus a JBL AM/FM stereo and JBL interior/exterior Bluetooth speakers to keep the party going!
