Description

2024 Northwood Arctic Fox North Fork 25W, Northwood Arctic Fox North Fork travel trailer 25W highlights: Master Suite Dual Entry Rear Kitchen Booth Dinette 32" LED TV You'll have everything you need to enjoy your weekend getaways with this Arctic Fox North Fork travel trailer! Two entry doors create an accessible unit that allows you to get inside to the master suite or the rear kitchen. You will also be able to keep your favorite beverages cool in the 10 cubic foot large refrigerator, and the single slide will open up the interior so that you can have extra space to gather with friends. Northwood is committed to quality, strength, and durability which is why they have created the Arctic Fox North Fork travel trailer all on their own! Northwood-built and independently certified, the Arctic Fox North Fork offers a fully welded, thick-wall aluminum-frame construction and an off-road chassis for years of great travels! The thermal pane windows, four-seasons insulation, and heated holding tanks ensure that every Arctic Fox is ready for all sorts of weather, and you certainly won't be disappointed by the interior features either. With a kitchen skylight with shade and USB charging ports on both sides of the bed, you'll find great convenience on the interior. The exterior has quite a few fun features too, like the outside speakers, exterior shower, two director's chairs, and a Carefree LED awning with adjustable pitch.
