## Description

AMAZING/9.8/10 condition. We camped in this trailer twice and unfortunately due to some changing life circumstances were not able to use it like we planned :( The Boondock package features aggressive off-road tires, a pitched axle, and more ground clearance, allowing you to travel off the beaten path. This travel camper also includes a solar roof package, making it easier to camp off the grid. Link to full specs of the Tag and Tag XL here: <https://nucamprv.com/tag-trailer> We'll be including all the additional accessories we purchased--camp kitchen, linens, hitch lock etc. -AC unit -Full camp kitchenette/galley -Solar panels for off grid -Storage compartment underneath beds
