Description	<p> New 2024 Opus Camper OPUS OP15 Opus Camper OPUS travel trailer OP15 highlights: Wet Bath Bunk Beds L-Shaped Dinette Lounge Exterior Kitchen Slide 300W Solar System With this OPUS travel trailer, you will enjoy the luxurious interior cabin including leatherette dining, a full-size bamboo wardrobe, and a shower/toilet combo to freshen up after exploring outside. Stay cool or warm with the Truma heater and hot water system and the 13,500 BTU air conditioner as you sleep on the king-size bed, the bunk beds, or the lounge which will sleep one more. The cook can make breakfast on the exterior stainless steel kitchen slide with a four-burner stovetop, a stainless steel chopping board, plus more. And the 12V refrigerator will keep your leftovers and drinks cool. There is storage inside for your clothing and such as well as outside for your outdoor gear, and the expanding roof is a bonus feature for more head room. The Opus Camper OPUS travel trailer is created for adventure! This off-road, hybrid caravan supplies you with a spacious interior that is outfitted with high-quality bamboo. The pop-up roof and extendable rear allow you to have a much larger interior space, yet the trailer is compact when it is folded down to travel easily anywhere that you want to go. The 300W solar system is what will keep you powered while you are on the go, and the articulating hitch and galvanized steel chassis will help you tackle the toughest roads with ease. If it is your goal to get out and explore what nature has to offer, there is nothing better to do that with than the OPUS travel trailer. </p> <p> Bunkhouse Outdoor Kitchen </p>
