Description

Have you ever heard of a Casita or Oliver? Let me show you a better product! This is the all new 2023 Cortes. It comes in at only 2680lbs, so it can be towed by pretty much anything. Full fiberglass design make it virtually leak proof. It has an independent suspension to make it a dream to tow and has Goodyear Endurance tires to make that towing stress free. There is absolutely no wood in this unit which make it impossible to rot and keeps the weight down. This unit has all Furrion appliances, 12-volt refrigerator, electric tongue jack, electric rear jacks, dual pane acrylic windows, and marine grade gel coat on the outside. Best of all it comes with a 7 YEAR WARRANTY!!!! We offer financing and take trade-ins!

Basic information
