## Description

TITLE NOW IN HAND! Beautiful vintage exterior with brand new interior. This trailer has been completely gutted and rebuilt by licensed professionals. This was redone for my family of 5 to stay in while we remodeled out home. We used it for 6 months and loved it, but have since moved in and no longer need a camper. There a few minor exterior flaws: one dent near the roof on the rear passenger side, trim next to living entry door was slightly bent, a little oxidization on two driver side panels. Interior is excellent. - Custom cabinetry, closets and bed frames all build with real wood (no particle board or MDF). - Waterproof vinyl plank flooring throughout. - 30" Propane range - Undercounter fridge - In cabinet chest freezer - 2 rooftop Furrion A/C units - Propane heater - Composting toilet (water line plumbed in for easy conversion to flushing toilet if desired) - 56 Gal fresh and gray water tanks - On demand propane hot water heater Mechanically in excellent shape. - New steps - New stabalizer jacks - Brakes have been redone - All new trailer lights - Weight distributing hitch included
