Description

New 2024 Ember RV Overland Series 221MSL Ember RV Overland Series travel trailer 221MSL highlights: Kayak/Bike Storage Door Full Bath 18' Electric Awning Dual Bedroom Nightstands Two Jack-Knife Sofas Tandem Axle You're going to love everything about this travel trailer that can comfortably sleep three to six people each night, depending on your bunk configurations. There is a spacious storage locker that can be used for hiking gear, plus a kayak/bike storage door for quick and easy packing. The Embertrack system lets you convert the benches to twin bunks, double-size bunks, a desk, or remove them altogether for more storage space. You will enjoy the queen-size Murphy bed up front, along with the "stargazer" skylight for nighttime views, along with dual nightstands and dual wardrobes to keep your clothes tidy. And in the morning you can relax on the jack-knife sofa with a removable table once the bed is put away. This trailer also includes a full kitchen with a 12V refrigerator, an air fryer convection microwave oven, a dual burner cooktop, and a stainless steel sink for easy clean-up. Each one of these Ember RV Overland Series travel trailers and toy hauler were built to meet the needs of today's most discerning RVers with layouts to fit couples and families! The CURT independent suspension comes with heavy-duty coil springs with dual shock absorbers on each wheel, and the 5-sided aluminum frame construction is sure to hold up through whatever adventure you throw its way. Laminated Azdel Onboard composite walls and rooftop prevent rotting or molding of the unit. Their chic interior design comes with structural composite flooring that is durable and easy to clean, dual pane caravan windows with integrated thermal shades/screens for added privacy, and an EmberLink smart RV control system to use at the touch of a finger. The Off-Grid Solar package lets you go further into the woods and the Safety First package helps you arrive safely to each destination. You will also appreciate the Luxury Package with an air fryer convection microwave, the Overland Package with an XL fresh water tank, and the optional Max Solar Package for maximum off-grid capabilities!
