### Description

Stock #366850 - 2022 Palomino SolAire 320TSBH! Dual Air conditioning units, outside BBQ set up, heated tanks! This SolAire travel trailer is truly a great find. The owner bought it and had it delivered to his home to use as a guest cottage in March of this year. It is truly in great condition. The owner has decided to sell the trailer because his plan didn't work out. None of the appliances have been used, and everything is in perfect working order. Now, for the features. This is a very large travel trailer with multiple sleeping options. When you enter the trailer, the first thing you see is a sleeper couch opposite the kitchen. The couch is next to the entertainment center, which includes a large flat-screen TV and a large fireplace below. The kitchen has a full-size electric refrigerator, a 3-burner stove with oven, a large microwave, and a farmhouse sink with ample counter space. The bathroom has a nice-sized sink and medicine cabinet, with a large round shower and plenty of cabinet space. Now, we come to the rear of the trailer, which is perfect for all the kids. It has two bunk beds and a pull-out couch. Most importantly, a cabinet under one of the bunks is large enough to equip an entertainment center with a TV, a Game Controller, and enough cabinets to store all their favorite DVDs and Video Games. This Travel Trailer is a great find for a family that likes to spend time on the road together. We are looking for people all over the country who share our love for boats/RVs.
