Description

2024 Prime Time RV Avenger 28REI, Prime Time Avenger travel trailer 28REI highlights: Kitchen Island Theater Seating Master Suite Opposing Slides Fireplace A couple or family will enjoy all the space in the main living and kitchen area, and the privacy in the front bedroom. As you spend each night sleeping on the queen-size bed in the master suite, you will appreciate the convenience of discreetly entering the full bathroom with a neo-angled shower without waking up your guests who are sleeping on the sofa or booth dinette. Because there are two opposing slides included in the central living area, there is plenty of space to prep dinner or wash dishes on the kitchen island. With any Avenger travel trailer by Prime Time, the exterior includes an aerodynamic smooth front metal, a diamond plate front rock guard for protection on the road, and four stabilizer jacks to keep your unit secure. There is a fully walkable roof plus an enclosed and heated underbelly that will help extend your camping season. The interior offers a 15,000 BTU air conditioner for the perfect climate inside, in-floor ducted heat, a systems monitor panel, and a Winegard 360+ antenna with Wi-Fi prep that will give you the option to stay connected as you camp. Each model also includes seamless Carefree Congoleum flooring, kitchen backsplash, shower pans in all models, and pleated nightshades throughout to name a few interior comforts! OPTIONS
