Description

2024 Prime Time RV Avenger 28REI, Prime Time Avenger travel trailer 28REI highlights: Kitchen Island Theater Seating Master Suite Opposing Slides Fireplace A couple or family will enjoy all the space in the main living and kitchen area, and the privacy in the front bedroom. As you spend each night sleeping on the queen-size bed in the master suite, you will appreciate the convenience of discreetly entering the full bathroom with a neo-angled shower without waking up your guests who are sleeping on the sofa or booth dinette. Because there have been two opposing slides included in the central living area, there is plenty of space to prep dinner or wash dishes on the kitchen island. With any Avenger travel trailer by Prime Time, the exterior includes an aerodynamic radius front profile, a diamond plate front rock guard for protection on the road, and four stabilizer jacks to keep your unit secure. There is an aluminum exterior skin, a walk-on roof with decking, and an Extreme Weather package plus an enclosed underbelly so you can camp all year long. The interior offers a 13,500 BTU air conditioner for the perfect climate inside, in-floor ducted heat, a systems monitor panel, and a Bluetooth entertainment system to ensure you'll never go bored. Each model also includes designer window treatments, seamless Carefree Congoleum flooring, kitchen backsplash, and many more at-home comforts.
