Description

2021 Prime Time RV LaCrosse 3380IB, Prime Time RV LaCrosse travel trailer 3380IB highlights: Private Bunkhouse Kitchen Island U-Shaped Dinette Double-Entry Bath Two Awnings You will be counting the days until your next camping trip with this triple-slide LaCrosse travel trailer. Just imagine your outdoor kitchen will be the talk of the campground when you are grilling steaks for your family. You can prepare the meal inside on the kitchen island with decorative pendant lighting after grabbing the seasoning from the oversized pantry. You will appreciate the opposing slides in the main living and kitchen area that provide plenty of floor space to walk around the trailer to get to each room. If it's time to spend some time indoors, the hide-a-bed sofa and U-shaped dinette allow everyone to come together to watch the 50" LED TV or play games. At night, you can retire to your own master suite up front while the kids choose a bunk bed or the Sleep and Play to try to fall asleep in their own private bunkhouse. Wherever your camping adventures lead you, you will want a luxury LaCrosse travel trailer from Prime Time RV. Throughout each model you will find plenty of attention to detail from the shaker-style cabinet doors with glass inserts, the premium vinyl flooring, and the large medicine cabinet to the "One Touch" electric awning. You will find residential window treatments, and in the living room there is an exclusive oversized MAX slide out offering nearly 40 cu. ft. of additional living space. MAX protection is found in the exclusive ETERNABOND construction which includes an enclosed and heated underbelly plus heated holding tanks and more. The mandatory Advantage Package includes lots of goodies, like a Universal Docking Center, an electric tongue jack, solid-surface countertops, and so much more!
