If you're looking for a travel trailer that can accommodate the whole family, your search is over. This unit will sleep up to 10 people. The PrimeTime Luxury Lite Lacrosse has a setup with two bedrooms. The main bedroom at the front of the unit has a queen bed with plenty of overhead storage and shirt storage on each side of the bed and a pocket-type door that leads to the Jack and Jill bath that can also be accessed from the main living area. The bathroom has a corner shower, a porcelain toilet with foot flush, a single lavatory with storage beneath, and a medicine cabinet above. The midsection of the camper is the location of the living/dining and kitchen. In the center of this area is an island with farm style sink and a residential high-rise faucet with a sprayer. The kitchen is along the back wall, where you'll find a stove with an oven, microwave, and refrigerator/freezer. The kitchen also has a hutch and a large pantry. On the opposite wall, you will find an 87" U-shaped booth dinette that converts to a large bed, a hide-a-bed sofa with an entertainment center directly across from the couch, which houses the 32" flat-screen TV, and an AM/FM/CD/DVD Blue tooth stereo system with MP3 hookup. The bunkroom with two bunks and a jack-knife sofa is located at the rear of the unit and also has a built-in table with connections for a TV if desired and plenty of storage. Another nice feature of the camper is the outdoor kitchen. It includes an outdoor fridge, a two-burner stove, a barbecue grill, a sink, a drawer for your utensils, three cabinets to store your paper goods in, and a small countertop area for prep work. The camper has two electric awnings with LED lights, outdoor speakers, 2 AC units, a thermal package, and sufficient basement storage. Grab the gang, and go camping! Looking for offers?
