Description

Description 2024 Stealth Trailers Nomad 18FK, Stealth Trailers Nomad toy hauler 18FK highlights: 17' Garage Deluxe RV Door 46-Gallon Fresh Water Tank .040" Screwless Exterior Torsion Axles You are going to love taking this Nomad toy hauler out to the campsite! The front kitchen will remain out of the way of the rest of the trailer so that you can use the drop-in cooktop, large single-bowl sink, refrigerator, and microwave to create some delicious meals, and there is also a full bathroom with robe hooks and a medicine cabinet right next to the kitchen so that you can have your own amenities for your morning and evening routine. This trailer also has a front exterior storage location with a 24" x 72" door with bar lock, and this storage compartment spans the width of the trailer so that you can bring along some extra gear. The Stealth Trailers Nomad toy hauler can go from the job site to the campsite because it works as hard as it plays! At a fraction of the price of the luxury toy haulers on the market, the Nomad provides you and your active family with a value-friendly alternative that will still deliver the essential comforts for camping. The Nomad can handle almost any type of gear you throw at it, like dirt bikes, side-by-sides, Jeeps, cars, and construction equipment because it is wider than most RVs with its 8' 6" body. The Nomad has a seamless aluminum flat top roof, a 36" slant wedge, an 18" extended triple tube A-frame, 5,000-LB recessed D-rings, a deluxe RV door with window and screen, and an outside shower. The .040" screwless aluminum exterior comes in many different colors so that you can pick the one that suits your taste best, and some of the most popular options that you can add to your trailer are the wall-mount sofa, power awning with LED lights, two-tone exterior with divider strip, Happijac bed system, and recessed E-track.
