CrossRoads Sunset Trail travel trailer SS285CK highlights: Dual Opposing Slides King Bed Rear Kitchen XL Booth Dinette Outside Kitchen Kitchen Island What could be more comfortable than a king bed, dual opposing slides for added space, plus an exterior camp kitchen? You will get all that and more when you choose this spacious travel trailer. The chef of the family will love the kitchen island for added space to cook and clean up, and there is plenty of rear counter space to set out fresh fruits and veggies. There is even a pet station that will make camping with your dog easier than ever! With any Sunset Trail travel trailer by CrossRoads RV, the interior offers a stainless steel farmhouse single bowl sink with a cover, solid surface countertops in the kitchen, a 12 volt refrigerator, USB ports in the bedroom and main area, and a Connexx entertainment TV with soundbar for inside enjoyment. Also included is the Extreme Weather package with maximum insulation with reflective foil, a 30,000 BTU furnace, and a 2" heat duct in the enclosed underbelly for four seasons of traveling. And the Blade Air system offers 20% more airflow and re-engineered components on the A/C. The HyperDeck flooring is water resistant, fiberglass reinforced and has polypropylene layers.
