Description

HARD TO FIND FLOORPLAN WITH OUTBACK TRIM! 2017 Nu Camp T@B 320 QT@B 320 TEARDROP CAMPER MODELS In keeping with the European model naming system, nūCamp RV has recently simplified its naming of the T@B Teardrop Camper line. The T@B is now available in one of two models: the T@B 320 and the T@B 400. The T@B 320 is the traditional T@B Teardrop Camper that nūCamp RV/Pleasant Valley Teardrop Trailers has been manufacturing for several years now. In our many discussions with dealers, prospective customers, and T@B enthusiasts we learned that the ordering process had become somewhat convoluted over the past several years. We have addressed this concern by including our most popular features in the T@B 320 and 400 base models. Features may include: Alde Heat and Hot Water System 3 Speed Fantastic Fan Ohio Amish Rich Real Wood Cabinetry Aluminum Frame Construction Technology Storage Cubbies Dual Awning Rail Screen Door Alloy Wheels and Spare Direct LED Lighting Linoleum Flooring Fiberglass and Azdel Sidewall Construction Air Conditioning Unit Lagun Style Dinette Port-a-Potty 2 Burner Stove 3 Way Fridge 19 Inch Entertainment Center Diamond Plated Stone Guard Protection Sink Wall Mounted Air Conditioner Glass Top Sink Queen Bed with Under Bed Storage
